

“On the Heritage of the Ultimate Law of Life and Death” “Shōji ichidaiji Kechimyaku shō”

Feb. 11, 1272 (Age 51)

All disciples and believers of Nichiren should chant Nam-Myoho-Renge-Kyo with the spirit of many in body, one in mind, overcoming all differences among themselves, just like fish being inseparable from the water in which they swim. This is called the heritage of the ultimate Law of life and death. This is also what Nichiren is trying to propagate now in the Latter Day of the Law. When you are so united, even the great aspiration for *kōsen-rufu* can be fulfilled without fail.
