

“The Doctrine of *Ichinen Sanzen*”
(“Ichinen sanzen hōmon”)

1258 (Age 37)

When one chants Myoho-Renge-Kyo, the Buddhahood inherent in one’s life will be manifested. Those who have the opportunity to hear it will be able to eradicate their negative karma that has been accumulating for infinite *asamkhya* kalpas. Those [who hear Myoho-Renge-Kyo] and rejoice for even a single life-moment, will attain Buddhahood in their present form. Even if they hear [Myoho-Renge-Kyo] but do not believe in it, since the seed of Buddhahood has been sown, and will become mature, one will attain Buddhahood without fail.
