

Gosho Passage of the Month February 2011

“Winter Always Turns to Spring”
(Myoichi ama gozen Gosho soku)

May 1275 (Age 54)

**Those who believe in the Lotus Sutra are
as if in winter, which never fails to turn
into spring. Never have I seen or heard
of winter turning into autumn. Nor have
I ever heard of any believer in the Lotus
Sutra who remained a common mortal.**

(Gosho p832 『妙一尼御前御消息』)
(MW1-150)
