

*“Heritage of the Ultimate Law of Life”*

Feb. 11, 1272 (Age 51)

All disciples and believers of Nichiren should chant Nam-myoho-rengekyo with one mind (*itai dōshin*), transcending all differences among themselves to become as inseparable as fish and the water in which they swim...

When you are so united, even the great hope for *kōsen-rufu* can be fulfilled without fail. But if any of Nichiren's disciples should disrupt the unity of *itai-dōshin*, he will destroy his own castle from within.
