“Repaying Debts of Gratitude” “Hō’on shō”

Jul 21, 1276 (Age 55)

Since Nichiren’s compassion is vast, Nam-Myoho-Renge-Kyo will prevail for ten thousand years and beyond into the future. It possesses the beneficial power to open the blind eyes of all the people in Japan, and it blocks the path to the hell of incessant suffering. Its benefits surpass those of the teachings of Dengyo and Tiantai, and are far superior to those of Nagarjuna and Mahakashyapa.
