**“On Securing the Peace of the Land Through the
Propagation of True Buddhism”**

When I, with my limited knowledge, read the sutras, I find that all people have gone against the correct Law and become wholly devoted to evil doctrines. This is why all the guardian deities have abandoned this country and sages have left this land, not to return. Seizing this opportunity, devils and demons rush in, bringing disasters and calamities. This is most fearful. We must speak out!
