

***A Comparison between the Lotus Sutra
and Other Sutras***

(Shokyo to hokekyo to nan'i no koto)

May 26, 1280 (Age 59)

Since the doctrines of Kobo, Jikaku, and Chisho have been widely accepted, this truth [of the Lotus Sutra] has been obscured in Japan for over four hundred years. It is like exchanging a gemstone for a piece of gravel or selling off sandalwood as common lumber. When Buddhism becomes corrupted, society becomes defiled and chaotic. Buddhism is like the body and society like the shadow. When the body is twisted, so is the shadow. Fortunately, my disciples are able to follow the Buddha's will and naturally flow into the *sarvajna* ocean of profound wisdom. The Buddhist scholars in society will suffer, since they will sink into the sea of sufferings, as they believe in the teachings expounded according to the capacity of the people.
