

The True Entity of All Phenomena

(Shoho jisso-sho)

May 17, 1273 (Age 53)

Whatever may happen, you now must practice assiduously, maintain your faith as a votary of the Lotus Sutra, and be a follower of Nichiren throughout your life. If your mind is one with Nichiren, you must be one of the Bodhisattvas of the Earth. Because you are a Bodhisattva of the Earth, there is no doubt that you are a disciple of Shakyamuni Buddha from the inconceivably remote past of *kuon*. This is what is meant when the sutra expounds, “I have taught and led these people since the inconceivably remote past of *kuon*.” In the Latter Day of the Law, there are no inequalities among those who propagate Myoho-Renge-Kyo, be they men or women. Without the advent of the Bodhisattva of the Earth, they could not chant the Daimoku.
