Since [the time period of] the Latter Day of the Law has begun, the Hinayana sutras, the Mahayana sutras, and the Lotus Sutra that were respectively transferred to the likes of Mahakashyapa and Ananda, Bodhisattvas Manjushri and Maitreya, Medicine King, and Avalokiteshvara are ineffective as medicine to treat the illnesses of living beings as they exist in textual form only. The people's illnesses are too grave, and these medicines are completely inadequate. At this time, Bodhisattva Jogyo will make his advent to bestow the five characters of Myoho-Renge-Kyo upon all living beings of Jambudvipa (the entire world).
